

# AWARD WINNING WORKPLACE FINANCIAL EDUCATION WORKSHOPS

We have developed interactive and engaging workshops covering 25+ topics and themes along life's financial journey for employees of all ages and stages of life.

## Apprentices & Young Adults

We've created a range of workshops that are perfect for onboarding new employees to your company including:

- Basic Money Management
- Budgeting
- Financial Resilience

## Maximising Employee Benefits

Our impartial workshops connect the dots between employee benefits and real life and can drive engagement including:

- The Power of Pensions
- Protecting What's Important
- Enhancing Savings

## Pensions & Investments

We offer a range of workshops covering pensions and investments at early, mid and later career stages including:

- The Power of Pensions
- Getting Investor Ready
- Investing for High Tax Payers
- Getting Retirement Ready

## The Property Ladder

Getting on and moving up, down or off the property ladder affects all employees at some stage and our range of workshops include:

- Renting v Buying
- Getting Property Ladder ready
- Mortgages Explained
- Property v Stockmarkets

## Employee Network Groups

Workshops have also been tailored to specific employee groups to ensure an inclusive approach including:

- Neurodiversity & Money
- Menopause & Money
- Empowering Women With Money
- Financial Control & Abuse

## Key Workshop Information

£750 + vat per workshop | 60 minutes | Unlimited Attendees | Recording Included
